OUT AND ABOUT

How much winter would you like?

You decide how to spend your day. All activities are independent and unaccompanied. Choose according to the weather, snow conditions and your experience.

01

Winter walking

Explore the winter landscapes of Lumnezia on foot. Prepared winter walking trails and paths around the villages offer everything from shorter outings to full days outdoors.

02

Snowshoeing

Leave everyday life behind and step into the snow. Choose designated routes suited to your experience and the current conditions. Bring your own equipment or arrange rental independently.

03

Ski touring

For experienced ski tourers with suitable equipment and their own route planning. You are responsible for choosing your tour and assessing the weather and avalanche conditions.

04

Skiing

Access the Obersaxen Mundaun Lumnezia ski area from Vella. During the winter season, the PostBus takes you from Lumbrein to the chairlift base station in Vella and back free of charge. Ski passes and equipment rental are not included.
